## What to Expect

- Welcoming, trained advocates with safety resources and brochures.
- Advocates ready to listen to your story and support you in getting what you need. Private rooms to connect with an advocate 1-1 are available upon request!
- We can help you make a plan for your safety, write up documents to break your lease, connect you to help with filing Protective Orders, and more.

## Receive Support

- Are you in an abusive relationship and want more information about how to stay safe?
- Looking for safe shelter options?
- Unsure if what you're experiencing is abuse?
- Is someone in your life being abused, and you're not sure how to support them?
- Need a Protective Order, but aren't sure which one or how to apply?
- Have questions about breaking or splitting your lease due to domestic violence?
- Do you know you need help, but aren't sure what kind?
